Here at acar2go we have just taken delivery of this STUNNING Volkswagen Polo and it is not one you would want to miss out on.

Volkswagen in 2013 alone sold over 9.7 MILLION cars worldwide, and it is far from difficult to see why as they are renowned for their build quality and reliability. Within their range of cars you will find the gem that is the Volkswagen Polo.

The Polo itself is one of the leaders in the hatchback class. It is small and nippy, but the interior space is no compromise, with plenty of room for 5 adults to travel comfortably and enough boot space for all those bulky items from accessories for the kids to the weekly shop.

This car in particular has clearly been well looked after, thanks to it's full service history including 6 service stamps in the book. Also, the car is Fully HPI clear and will be subject to our in-depth acar2go Multi-point Check prior to the lucky new owner driving it away.

Running costs? No problem. The ideal 1.2 petrol engine is capable of returning in excess of 60 miles per gallon on a run and the road tax bill is just £110 for a year.

We do not expect to have this stunner for very long at all, so make sure no-one beats you to it! Give our friendly sales team a call on 01296 632634 01296 6326...(click to reveal full phone number) for any other
