

Morocco Holidays summer season (25 GBP)

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-592543-z>

The areas around the higher scopes of Atlas Mountains can get remarkably colder with the existence of snow-capped peaks. Summer in Morocco from June to August is very hot in the areas closer to the Sahara Desert, while the temperatures in urban parts like Casablanca and Essaouira can be relatively.
