Mercury F9.9 four stroke outboard engine.
Tiller short shaft 10hp outboard in excellent condition
Runs spot on with gear shift on the throttle. Which makes manoeuvres one handed a breeze.
Just been fully serviced 2010 model.
Only selling as hardly use it anymore due to having another boat and outboards. Probably only 2/3 times last year.
Collection from Kingsbridge in Devon or can deliver locally for a fee.
Any question please ask.
Same as mariner and tohatsu
Suzuki Honda Yamaha 8hp 15hp 20hp 6hp
